

Silk Sunset Streams

Oracle Sisters

Well it seems I'm going out
Just to go out
The days drip away
When they drop I'll awake
To realise
I'm back where I started again

Oh midday morning
Midnight afternoon
It seems the world's turning
But I'm all caught up on you
And I'll wait and I'll wait and I'll wait
Till we're back where we started again

Oh my love you make it real
Yes you do

Oh life's such a breeze
A silk sunset stream
Your silhouette serenades me

New pinstripe suit
New pair of old shoes
New ways to move
New names with old news
And I realise
I'm back where I started again

Oh my love you make it real
Yes you do

Oh life's such a breeze
A silk sunset stream
Your silhouette serenades me
Oh yes it does

I was drawn to you
And you knew it
But I was trying not to show it
Don't let me be the man who needs your love

Oh life's such a breeze
A silk sunset stream
Your silhouette serenades me
Oh yes it does
