I know the feel of my style
Hands up when I'm about and killing them now
I'm crazy, possessed, I'm a hideous gal
Everybody get down let us head to the spa, ow
They never got our different style
This beat has got the mice spinnin' around
It's a competition when he hit the rythemous vowel, uh
It's rediculous, my limb is so wow

Do it you, oh, do it you - wow wow wow

Got 'em all going psycho - now now now

I'm going up and it's going - down down down

Everybody in the club sayin' - ow ow ow

- pow pow pow

Kickin' up with the biggest slimmers like - ow ow ow

So let's go - down down down

Crazy, check out the - sound sound sound

It's about to go - down down down (4x)

It's about to go (4x)

Go (x14)

Meow meow meow

I know the feel of my style
Hands up when I'm about and killing them now
I'm crazy, possessed, I'm a hideous gal
Everybody get down let us head to the spa, ow
I've go a different style
This beat has got the mice spinnin' around
It's a competition when he hit the rythemous vowel, uh
