

Love And Hate You

Orchestral Manoeuvres In The Dark

I love and hate you
At the same time
I need you don't need you
Is that such a crime

I wouldn't walk down the road
To say goodbye
I couldn't give you up
To some other guy
I wouldn't do anything
That you asked me to
But you know
That it's true
I still love you

I want you to help me
To make up my mind
I need you to hear me at least
Some of the time

I wouldn't blame you
If you had to run away
I couldn't stand to live
Like this another day
But I would sell my soul
To get you back today
Cause you know
That it's true
I still love you

I wouldn't blame you
If you had to run away
I couldn't stand to live
Like this another day
But I would sell my soul
To get you back today
Cause you know
That it's true
I still love you

And you know
That it's true
I still love you

And you know
That it's true
I still love you
