

## Sunday Morning

### Orchestral Manoeuvres In The Dark

Sunday morning  
Brings the dawn in  
It's just a restless feeling  
By my side

Early dawning  
Sunday morning  
It's all the wasted years  
So close behind

Watch out the world's behind you  
There's always someone around you  
Who will call  
It's nothing at all

Sunday morning  
And I'm falling  
I've got a feeling  
I don't want to know

Early dawning  
Sunday morning  
It's all the streets you've crossed  
Not so long ago

Watch out the world's behind you  
There's always someone around you  
Who will call  
It's nothing at all

Watch out the world's behind you  
There's always someone around you  
Who will call  
It's nothing at all

Sunday morning...
