

# Anthem to the Darkside

Orden Ogan

My whole, lifetime I've been searching  
A place of eternal peace  
Where rivers are gently flowing  
Between miles of endless green fields  
A silent dream filled with light and life  
But this paradise is lost  
The path to it has disappeared again

And my sky has no sun  
The clouds took it long ago  
And in these withered fields  
All its rivers dried out

If we ever had a chance  
We lost it somehow  
And certain is my fate

Nothing is sacred (Nothing is sacred anymore)  
No one is innocent (No one is innocent)  
Everything is lost (Everything is lost)  
And we all laud it

Can't you hear my cry now  
That I've become the night itself  
In every raindrop  
Relentlessly falling down

A silent dream without light or life  
Because paradise is lost  
The path to it has disappeared forever

Nothing is sacred (Nothing is sacred anymore)  
No one is innocent (No one is innocent)  
Everything is lost (Everything is lost)  
And we all laud it

I've come to terms with it  
This is my anthem to the darkside  
Let me fall, wash me away  
With the black tide

Nothing is sacred (Nothing is sacred anymore)  
No one is innocent (No one is innocent)  
Everything is lost (Everything is lost)  
And we all are dead
