

# Farewell

Orden Ogan

It is the mirror that looks at all the fake  
It is the bed that sleeps while you're awake  
Living in darkness though the sun shines in your face  
Watching the time while the clock counts your last days

IS IT LOVE? WHEN A FAREWELL IS ALL SHE BELIEVES  
IS IT LOVE? WHEN A FAREWELL IS ALL SHE CAN LEAVE

It is the phone that is silent when you keep calling  
It is the rain that stands still while you keep falling  
Living in darkness though the sun shines in your face  
Watching the time while the clock counts your last days

IS IT LOVE? WHEN A FAREWELL IS ALL SHE BELIEVES  
IS IT LOVE? WHEN A FAREWELL IS ALL SHE CAN LEAVE

....In the darkness, effacing the warmth  
slightly embracing the harm

IS IT LOVE? WHEN A FAREWELL IS ALL SHE BELIEVES  
IS IT LOVE? WHEN A FAREWELL IS ALL SHE CAN LEAVE

....In the darkness, effacing the warmth  
slightly embracing the harm

Oh, I wanna know  
(Is it love?)
