

Don't Let Your Hair Grow Too Long

Oren Lavie

Don't let your hair grow too long
Leave your yellow raincoat on
Don't get wet
But don't get warm
Don't change the time on your watch
Always reach, but never touch
Stay a picture on the wall

Don't let your step grow too bold
Don't let your hands go too cold
Don't forget, but don't recall
Keep the distance in your stare
Hold your step up in the air
Always near but never there
And stay a picture on the wall
