## **Don't Let Your Hair Grow Too Long**

## **Oren Lavie**

Don't let your hair grow too long
Leave your yellow raincoat on
Don't get wet
But don't get warm
Don't change the time on your watch
Always reach, but never touch
Stay a picture on the wall

Don't let your step grow too bold Don't let your hands go too cold Don't forget, but don't recall Keep the distance in your stare Hold your step up in the air Always near but never there And stay a picture on the wall
