

Trouble Don't Rhyme

Oren Lavie

If you only had been physical
but you're synical
and you won't let as much
as a touch be observed (?)
If you only had been lyrical
but you're logical
and it's make us sore
when you talk metaphore
'cause trouble don't rhyme
trouble don't rhyme
well, they do sometimes
they do sometimes
If you only had been curious
not so serious
but your grammar is right
and your structure is strong
nothing belongs
'cause trouble don't rhyme
trouble don't rhyme
well, they do sometimes
they do sometimes
If you only had been physical
but you're synical
