

That guy with the clear fucking skin
And the nice denim pants
Man, I wanna be him
But my bony-ass self
Lookin' like a pterodactyl
A huge fucking asshole
I wanna go back home

Wouldn't it be nice if I was easy on the eyes?
But honestly, I couldn't give a fuck and I feel fine

I'm never gonna look that way
And I think that that's okay
This cystic acne doesn't look so good when it's on me
But I don't care, it really doesn't matter to me

That guy with the best fucking friends (That's me)
They make me feel loved and they make me happy
I could live my whole life and never try to be
The epitome of what you think is pretty

Wouldn't it be nice to look like I'm a movie star?
Honestly, I don't wanna be and my life feels up to par

So I don't need your standard of beauty to feel like
I'm the best version of me that you could see
I feel that already
There's nothing you could do or say
To make me feel some type of way
I've heard it all before, you're eight years late

Ooh, I'm never gonna look that way
Ooh, and I think that that's okay

This cystic acne doesn't look so good when it's on me
But I don't care, it really doesn't matter to me

It doesn't matter to me
It doesn't matter to me
No, it doesn't matter to me
No, it doesn't matter to me
Yeah
