Ruby

Origami Angel

Oh, Ruby, why do you hurt me?
Why does it feel like you're lookin' through me?
Why don't you tell me all of your stories?
Why don't you take me by the hand?
'Cause you know that I've been dying to talk to you

Oh, Ruby, what is your full name?
When is your birthday? What do your friends call you?
Are you lonely or are you happy?
What's your favorite thing to do
When you're sad and alone and you wanna feel better?

Oh, Ruby (Why do you hurt me?)
Oh, Ruby (Why do you hurt me?)
