

# Infestation

Origin

You will fall to your knees  
As they scurry in  
Your skin you will start to concede  
As they start to control your...

Brain!

Metamorphosis, a living cocoon  
A walking cadaver internally consumed  
Human flesh, they need to feed  
Devouring the masses, an eternal need

Infestation!  
Infestation!  
Infestation!  
Infestation!

Assimilation, cellular regeneration  
Brainwashed in my own mind  
Manipulation of genetic reorganization  
No longer a species of mankind
