

All right everyone
It's time for the last award tonight
Yeah
This is the category
Album of the year (ay, ay, ay)

White flag wavin' from the sideline
Coach said it's my time
Homies give me high-five
When I come through
Fresher than a grocery
Your friend like "oh, you know her"
So burnt like toast
In the fuckin' toaster
Extra crispy in the Rover
Paparazzi flashin' HD in the corner
Fit on the thousand
Sad when I'm smilin'
Yeah, I got the sauce
Thousand Island

Big car
Big house
Big heart
Big mouth
Everywhere I go
I'm iced out
Even after show
With the lights out
Somehow
Somehow
Big now
Big now
Everythin' big now
(Whoa, yeah, doo, doo)
(And the album of the year is The Miseducation of Lauryn Hill)
(Ooh, ooh)
Big car
Big house
Big heart
Big mouth
Everywhere I go
I'm iced out
Even after shows
With the lights out
Somehow
Somehow
Big now
Big now
Everythin' big now

Wooh
GIve it up
Amen, amen, amen, amen
Wow
You know, this is so amazing
