

Coming Home

Orion Sun

Early in the morning
Early in the morning
I'll rise
Early in the morning
Oh-oh, I'll rise

Another fork in the road
Too many choices
Tell me which way I should go?
Too many voices
Who do I trust?
How do I still enjoy this?
What happens to your pain
When it don't turn into something
Worth it?
Oh, shit

Early in the morning
Early in the morning
I'll rise
Early in the morning
Oh-oh, I'll rise
