

Nights Like This

Orion Sun

Places we used to go
Replace them all with headstones
This love won't leave me lone
Our past won't let me go
Walking this lonely road
I feel the warmth on my skin
I know I'm getting close
The morning comes again, oh

I miss you the most on nights like this
Drowning in Jameson
One with this darkness, darling
I miss you the most on nights like this
Drowning in Jameson
One with this darkness, darling

Oh-oh, oh-oh, oh-oh
(I miss you the most, darling)

Maybe I should call
Maybe I should wait until tomorrow
What'd I even say?
I miss you and I think about you everyday
Only issue is my pride standing in the way
That can't stop me, no
Guess I'll catch you on a different day
On Franklin Ave walking with your ghost
The only version of you I know

Baby, let me give another reason to trust again
Baby, let me give another reason to love again
Come on in, I

I miss you the most on nights like this
Drowning in Jameson
One with this darkness, darling
I miss you the most on nights like this
Drowning in Jameson
One with this darkness, darling

Oh-oh, oh-oh, oh-oh
Da-ra, da, da-da-ra
Da-ra-ra-ra
Da-ra, da (Mm)
