

without you (interlude)

Orion Sun

Ten more!
You gotta be, you gotta be him
He's the man to be
Look, look, you can do it
You can do it, I believe in us
Y'all turning tequila 21 'til a motherfucking smack

Something 'bout the way
You move
Makes me feel like
I got something to prove
Wanna be with ya
Can't even imagine
Life without ya
I can't even imagine
Doing it all alone
Nowhere to call my home
I need ya
I can't do it without ya
I need ya
Ain't no way I could do it without ya

Like that, that's how you do it

I need ya...
