

Circles

Orleans

There is nothing I can say or do
I took one look, right then and there, I knew
Of all the girls I've ever seen
You're the one that could make my dreams come true
And I'm goin' round in circles over you (Goin' round)
Yes, I'm goin' round in circles over you

To have your love is all that I desire
So I can touch the beauty I admire
My passion burns bright from afar
Radiant like a shinin' star of blue
Glowin' like a halo over you (Glowin' like)

'Cause I'm goin' round in circles over you

Oh, in my fantasies, I feel so fine
'Cause everything I want from you is mine
You can keep my heart on fire
In real life, I'd never tire of you
And I'm goin' round in circles over you (Goin' round)
Yes, I'm goin' round in circles over you
Goin' round in circles, yes, I'm goin' round (Goin' round)
Oh, goin' round in circles over you
