

Juliet

Orleans

Juliet, Juliet
You got the smile that I can't forget
On the day we met, I made a bet
Someday, I'll win the love of Juliet

Long as the sand, bright as the sun
Where have you been since my life begun?
You're the one I want to know
Juliet, let me be your Romeo

Juliet, oh, Juliet
You got the smile that I can't forget
On the day we met, I made a bet
Someday, I'll win the love of Juliet
A friendly smile, a sexy walk
Charming little accent when you talk
You're an eleven on a scale of ten
Juliet, I just got to say it again

Juliet, oh, Juliet
You got the smile that I can't forget
On the day we met, I made a bet
Someday, I'll win the love of Juliet

Just a little bit shy
And just a little bit quiet
My, oh my
I'm in love and I can't deny it

Juliet, oh, Juliet (You got the smile)
You got the smile that I can't forget
On the day we met, I made a bet
Someday, I'll win the love of Juliet
Oh, Juliet, Juliet (You got the smile)
You got the smile that I can't forget
On the day we met, I made a bet
Someday, I'll win the love of Juliet
Juliet, Juliet, honey (You got the smile)
You got the smile that I cannot forget
On the day we met, I made a bet
I'll win the love of Juliet (Someday, I'll win the love of Juliet)
I love you, Juliet
You know I love you, Juliet
