

Let's Have A Good Time

Orleans

There's a shipwreck on a tidal wave
Ragin' in my blood
And I've lost the charts that guide me
To where going's good
The blackest birds are flyin'
In a sky that has no light
All because a woman
And a man are in a fight

I just can't seem to stop it
And everything is goin' wrong
It may be hard to see
But we'll be laughin' before long, baby

Let's have a good time when it's over
Oh baby, I know that we're still
The best of friends
I said let's have a good time when it's over
I'm gonna love you
Like we'll never fight again

I can't believe that you're the one
That held me all last night
Hurlin' down those angry words
From such a bitter height
Human arms aren't long enough
To reach up where you've gone
Don't you know how much I need
The love you've withdrawn

I just can't make it stop
And everything is goin' wrong
May be hard to see
But we'll be laughin' before long, baby

Let's have a good time when it's over
Oh baby, I know that we're still
The best of friends
I said let's have a good time when it's over
I'm gonna love you
Like we'll never fight again

Let's have a good time when it's over
Oh baby, I know that we're still
The best of friends
Yes, I know that we'll have a good time
Let's have a good time when it's over
I'm gonna love you
Like we'll never fight again
Want you to take me in your arms
And love me like we'll never fight again
I'm gonna love you like
We'll never fight again
It's so good to know
I'm gonna love you like
We'll never fight again
