

# Serenity

Orleans

We've had our doubts, we've had our problems  
Livin' together  
Livin' apart, there have been storms  
That no heart should have to weather

Loneliness  
Doesn't mean that you're alone  
Loneliness  
Is just another step on the road to letting go  
I'm letting go

Grant me serenity  
To accept the things I cannot change  
Courage to change the things I can  
And the wisdom to know the difference

Sometimes, it seems it's all a dream  
And the world is goin' crazy  
We fight for control, to have and hold  
What we know we should be sharing

(Only love) But only love  
Can break down the walls between us  
(Only love) Only love  
Can quiet our fear and restore us to sanity  
Set us free

God, grant me serenity  
To accept the things that I cannot change  
Courage to change the things I can  
And the wisdom to know  
God, grant me serenity  
To accept the things that I cannot change  
Courage to change the things I can  
And the wisdom to know the difference

Thy will be done  
Thy will be done  
(Thy will, not my will be done)  
I got to let you know  
(Thy will, not my will be done)  
It's time for letting go, letting go  
(Thy will, not my will be done)  
We've had our doubts, we've had our problems  
(Thy will, not my will be done)  
Sometimes, it seems it's all a dream
