

## Cool Cops

Orson

Cool cops are gonna  
be the death of you  
when they get a hold of you -  
so get down on the ground  
cool cops are gonna throw  
the book at you  
when they get a look at you -  
gonna haul you downtown

Cool cops hate what's on the radio  
or any kind of TV show -  
oh it's such brutality !  
cool cops only want to be around  
the million pound indie sound -  
oh it's right hypocrisy !

Don't think when the cops  
suspect that you  
are getting in their way  
that they will not think twice  
before just simply putting you away

Cool cops - they're always coming  
after you !

Cool cops are here  
to rain on your parade  
unless of course they get paid  
(even cops - they gotta eat)  
cool cops are always watching  
every step (man they even hate johnny depp)  
love the sun and packing heat

when you scratch their backs it's so  
much easier to pretend  
that Q is just a letter and the NME  
is still your friend

Cool cops - they're always coming after you !
