Saving The World

Orson

I guess I'm hanging out alone,
And I'm selfish to complain,
Cause you've always got the best excuse.

There's no use in forcing you to stay-
(You'd kick my weak butt, anyway)
I'll watch you on the evening news.

It's just that I see you next to zero-
It's so hard lovin a super hero

You're too busy saving the world,
And I think I need saving the most.
I know that you'd stay here if you could,
But you're too busy saving the world.

You're sliding on my favorite boots,
And those tights are such a tease.
But you never wear that stuff for me.

Look up in the sky,
It's not a bird or a plane.
It's the sweetest crime fighter that I've ever seen-
I just wish she'd call in sick
And just stay home.

So go and make the world just a little safer-
I'll read all about it in tomorrow's paper.

You're too busy saving the world,
And I think I need saving the most.
I know that you'd stay here if you could,
But you're too busy saving the world.

I'm so over jumping off buildings,
You catching my fall.
So I'll brush up on my Super Villain,
And I might see you more

I know you're undercover,
But I want you under the covers.
It doesn't feel like I'm asking a lot...

You're too busy saving the world,
And I think I need saving the most.
And I know that you'd stay here if you could,
But you're too busy saving the world.
