

Why Are You Here?

Orthodox

Don't go
Don't go
Don't go

Every day the same old thing
I can feel you pulling away, pulling away
Every day the same old thing
I can feel you pulling away, pulling away
Catching the inflection in your lie
It's hard to hold the truth inside
If you're not here to stay, then why are you here?
Another loss to process, another hope I cannot keep
Another hurt I welcome, another reason not to sleep
I know I'm losing you, but I can't seem to let you go

I wish you would find your peace
Maybe then I could be released
Please, can you tell me why?
I can't feel the difference
In your noose and your leash

Don't go
If you're not here to stay, then what are you here for?
If you're not here to stay, then why are you here?
If you're not here to stay, then why are you here?
If you're not here to stay
Push me, then pull me, then push me, then pull me back in
Pull me, then push me
I can't tell the start from the end
I'm trying to run from this, but my legs won't bend
Push me, then pull me, then push me, then pull me again
Pull me again
Pull me again
