I'm Coming

O'Ryan

I'm working late again
It seems as soon as I get back
I'm on the plane again
Off to do another
Do another show, shoot a photo
Doing what I gotta, so I can get my dough
The minute I arise, until I close my eyes
In the studio, making videos
Off to interviews or at somebody's school
All the while girl, I'm missing you

I'm comin', I'm comin', I'm comin'
Coming home to you, girl
(I'm coming back to you girl, whoa)
I'm comin', I'm comin', I'm comin'
Coming home to you
(I got to see my baby, ooh)
I'm comin', I'm comin', I'm comin'
Coming home to you, girl
(Ooh, ooh, yeah)
I'm comin', I'm comin', I'm comin'
Oh I, Oh I
Coming home, coming home to you
I'm coming home

Thinkin' it's like what you see
Late night on BET
My crew's in VIP
Girls and Hennessy
Ain't how you think it be
Girl it's just not me
Wish that you could see
It's my J-O-B
Being under the the gun
Can't wait to have some fun
Soon as I get done
I'll be on the run
Want you next to me
I miss you baby
Wanna kiss you slowly, hold me

I know you wanna, hang out and have fun
Baby but I gotta (gotta...gotta do what's right girl)
Do what's necessary to make life better
Get this cheddar, be a go-getter
All the while I'm missing you

I'm comin', I'm comin', I'm comin'
Coming home to you, girl
(I'm coming back to you girl)
I'm comin', I'm comin', I'm comin'
Coming home to you
(I'll be right there to hold you, yeah)
I'm comin', I'm comin', I'm comin'
Coming home to you, girl
(Honey I'm coming back to you, back to you)
I'm comin', I'm comin', I'm comin'

```
Oh I, Oh I
Coming home, coming home to you
I'll be right there girl

I'll be there in the morning time
Whatever you want, girl
(Oh, oh)
I'll be there in a minute, oh
'Cause I can't wait no longer, no
Big pimpin' here without you, oh
Even though, I'm on my way (way)
I'm on my way (way)

I'm comin', I'm comin', I'm comin'
Coming home to you, girl
I'm comin', I'm comin', I'm comin'
Coming home to you
I'm comin', I'm comin', I'm comin'
Coming home to you, girl

Oh I, Oh I
Coming home, coming home to you

I'll be there in the morning time
```
