Shorty

O'Ryan

Hip hop, that hop-hop the hippy, when they
J-Kwon I'm known to stay pretty, when they
From the Lou' we known to stay pretty, we be
?? shine, I'm just like get it, get it
Do it mix, since when I said get it, hit it
No it don't but it sound good when I did it, did it
True gangstas, girl they let me hit it, hit it
Then we pass 'em, when they show off them...

Now shorty you know how I do when I'm off in the club
Sipping apple juice too young to sip the bub
With my whole crew, about ten or fifteen thugs
All up in here, we not giving a what
And then I spotted shorty, looking good and she's calling me
Small jeans, cute, had on a baby-tee
Looking like she want to get with me

Shorty! (whooooa) I came to get down
Don't mess around in this party (whooooa)
I'm grinding on you, you grinding me too
Shorty! (whooooa) I'm feeling you, you're feeling me too
I know that you're down and baby I'm down (in this party whooa)
(I know that you're down and baby I'm down)
Shorty!

Shorty's dancing all over me
I can feel the heat
And girl you're sweet
The way you're grinding to the beat
OH!
Baby drop it, nonstop
Back it up, shake your butt
Bring it on, baby I can see your thong
OH!
Now baby get in front of me
I like the way you move your body
The way you're looking at me
Got me going crazy out of my mind

Shorty! (whooooa) I came to get down
Don't mess around in this party (whooooa)
I'm grinding on you, you grinding me too
Shorty! (whooooa) I'm feeling you, you're feeling me too
I know that you're down and baby I'm down (in this party whooa)
(I know that you're down and baby I'm down)
Shorty!

Look, look I ain't got to dance with the chick
Romance with the chick
Hold hands with the chicks
They be wifin' em, ice dance on they on they wrist
I seen my initials when I glanced at her tits
(ooh! oh!)
Get, get to get it girl
So go on and get, get to get it girl
Another round of bub, 'cause she love this thug money
She love the club, c'mon!

Shorty! (whooooa) I came to get down
Don't mess around in this party (whooooa)
I'm grinding on you, you grinding me too
Shorty! (whooooa) I'm feeling you, you're feeling me too
I know that you're down and baby I'm down (in this party whooa)
(I know that you're down and baby I'm down)
Shorty!
