OsamaSon

(Ok is the hardest, I swear to God)

Bag, fucked it up
Pour more, not enough (Nah)
It's too hot in here (Pipe up, pipe up)
Hit yo' block and chop it up (Me and Rok gon' rock and roll)
And this lil' ho talk too much (We gon' be ok)
Goyard bag, I filled it up
I'm on P, I flipped that truck
Bet yo' crew won't fuck with us (Buh, buh, buh, buh)
Bet yo' crew can't fuck with us (Yuh)
What would you do for a little bit of money? (Bee)
Call slime, wipe yo' nose for a hundred (Slime)
Lil' nigga know that shit ain't nothin' (Slime)
Coupe take off like jet, just punchin'
Boy, you hear that engine run (Bee)
I just bought some brand-new guns
Better not talk 'bout shit, not nothin' (Not nothin')
Bih', my double cup, DJ Pun (Lean)
Love when they run, that shit be fun
You ain't tryna hit, lil' nigga, say somethin' (Say somethin')
Got some shit that'll send you to the sun
Hit up twin, "Where the bags at?"
We got sticks, just like Baghdad
See it, want it, then I have that (Bee)
Foreign bih', I'ma bag that
I'ma flex on my ex
Stef still pourin' up Hi-Tech

I'm still scorin'
Check the net
Where was you going?
Catch some lead
Goin' fed, goin' fed
In the whip, I'm goin' fed
Tell that bitch I'm pourin' red
Tell that bitch I'm pourin' red
In that truck, I'm full of meds
In that truck, a fully man
This AR a bully, man
Put holes in your hoodie, man
