OsamaSon

(On the way)
(Ok is the hardest, I swear to God)
(We gon' be okay)

I come through and fuck it up
Yeah, lean in my double cup
And yo' ho wanna fuck with us
I told twin to pick her up
I'm still spinnin' in that truck
Do you wanna get hit or not?
I just came in, Glock tucked
And I got that chop, yeah
Me and my team don't care
Tryna knock off heads
I been pourin' red
Finna dye my head
I'm like, "Where is this?"
Coupe tinted
I been feelin' with yo' ho
You can't get it

I was boolin' on the east side with my fuckin' twin
Told that bitch, she get kicked out if she spill my lean
If she spill my lean
If she spill my lean

I come through and fuck it up
Yeah, lean in my double cup
And yo' ho wanna fuck with us
I told twin to pick her up
I'm still spinnin' in that truck
Do you wanna get hit or not?
I just came in, Glock tucked
And I got that chop, yeah
Me and my team don't care
Tryna knock off heads
I been pourin' red
Finna dye my head
I'm like, "Where is this?"
Coupe tinted
I been feelin' with yo' ho
You can't get it

Huh, huh
Coupe, fucked it up
Racks, fucked it up
That's why yo' ho wanna fuck with us
I was tryna hear out niggas
These niggas ain't sayin' anything
Bitch, I'm in New York shoppin'
Bitch, I'm buyin' everything
Foreign ho, wedding ring
This can't be my main thing
Prrrt, prrrt, prrrt, bling bling
Diamonds on my chain, chain
Me and twin walked in late
But you know my pockets ate

I'll knock you out
Turn yo' ass into a holiday, yuh (On the way)

I come through and fuck it up
Yeah, lean in my double cup (Ok is the hardest, I swear to God)
And yo' ho wanna fuck with us
I told twin to pick her up
