

Euphoria

OsamaSon

F-finish line, I need that check
W-walk in the function, breaking necks
Look at my wrist, 'boutta spend a lil' check (Lil Check)
Look at yo' bitch, tryna hop in the yeahh
Pull my shit, fucked up my dreads
I flash racks, she get undressed
All I know is double cup, and slime, yeah, he still pouring up
Got a Drac' wit' me, we tottin', yeah
This one not from euphoria
Good ass day from the front
Cutie lil' bih', she boring (Boring)
Off-White, this not orange
Money, keep up boy it cost a arm

On my slime, lil' bitch, he armed
Niggas get shot and still wanna politic
Wit' my gang, straight poppin' shit
Wit' my gang, straight mobbin', bitch
Niggas wanna come flock and shit
And this bitch wanna come hold my dick
Only wit' slime when I'm in that whip
When you drop, nobody hear that shit
CEO, they love me, 'cause a young nigga bring that money
Hop on a beat by Perc and I'm on that Perc', I swear this shit
not funny
I'm like, "Bih', gimme my money"
I wanna TEC, I want a bad bih'
You so pussy, you run from me
Young nigga hop out, get to blackin'

F-finish line, I need that check
W-walk in the function, breaking necks
Look at my wrist, 'boutta spend a lil' check
Look at yo' bitch, tryna hop in the yeahh
Pull my shit, fucked up my dreads
