Hop in the SRT that bit' go fast, yeah
I just poured a fucking pint of mud in the flask yeah
We finna set task's, yeah
You ain't did no mission no
Put a nigga on the floo'
Get caught up and you gon' fold

My type of another flow

Know that he gon' up the score
Cannot fall in love wit' hoe's

Tryna do a couple show's
Tryna fuck up big bank roll

Smoking 'bout a fucking load

But she get passed to the bro
I'm just tryna run this shit up until I can't no mo
