

Going Dumbo

OsamaSon

Yeah, yeah (Slime, slime, slime, slime)
Yeah, I walked in, goin' dumb
These hoes, goin' dumb
These shows, goin' dumb
I've been doing somethin'
Racks on racks, come on, uh
Slay 'em for a honeybun
Slay 'em, oh yeah, go slay 'em, yeah
My bitch slay, do not come this way
My 23 got switch blade (Boop-boop, Boop-boop)
Word is bond, everyday
Feel like your ho, let's get paid
How much am I making today?
YSL jeans, uh, okay
Percs in my piss, I'm straight
Pass that lil' whip (Skrr), I'm late

Getting too high these days (Slatt)
I swear I'm not gon' change (I swear on God)
Spend that lil' pocket change
I pull up, make it rain (Hol' up)
Bitches get naked, yeah
That's how I face it, man
They think I'm racing, 'cause this whip keep on fading, uh
Switchin' these lanes, I told my slime "Keep maintaining," yeah
No they can't tame ya, new guns, new bangers
You not a thing, bruh, got my stick in the same clothes

(Let's get it, let's get it, let's go)
(Slime, slime, slime, yeah, let's go)
I know, they've been wasting time, hol' up
Countin' up the racks, just to waste some time (Yeah)
Wastin' time, we just wastin' time
(Bitch, let's get it)

Yeah, yeah (Slime, slime, slime, slime)
Yeah, I walked in, goin' dumb
These hoes, goin' dumb
These shows, goin' dumb
I've been doing somethin'
Racks on racks, come on, uh
Slay 'em for a honeybun
