OsamaSon

Yuh, yuh, yuh, yuh
Yuh, yuh, yuh
Took the trap to LA
Ca-came home and that shit fucked up
Do-double cup mud, full, full
Never mad 'cause I always got lean
Say-say I don't got racks, what the fuck do you mean?
Spe-spend a couple bands this whole damn week
You ain't seen a band this whole damn week
Dropped a couple racks, got Celine on my feet
1017, brand-new ALYX
Wo-woke up today, it's a brand-new lick
Woke up fuckin' on a brand-new bih'
How much for the fi-, be-bet
'Nother advance, got hella check
Put it in the bag nigga, I ain't done yet
Yuh, yuh, yuh, yuh
Yuh, yuh, yuh

Me and BabyChop, we was in that trap
Co-couple yo' niggas ain't comin' back
Co-couple yo' niggas, they can't spin back
.556 got shell catch, ha
Pull up, I'm puttin' belt to ass
Ca-catch me in the Hellcat geeked off flat
Po-pop out, whe-where ya' heat at Jack?
Bra-brand new lo', finna eat at that
Ki-ki-ki-kicked my feet up
Spilled some red on a brand-new sneaker
Spilled some mud on a brand-new speaker
Lil' O flex, on yo' teacher
Blackout, fft, nigganice to meet ya'
Kickin' shit, and the pipe gon' clean up

Yuh, yuh, yuh, yuh
