Is you gettin' geeked or nah?  
Is you gettin' geeked or what?  
Group-groupie hoes they wait in line, then they all comin' to fuck  
Bank account look fine, six O's before the plus  
Flex stupid all the time, I can teach you how to boot up  
I was geeked up thinkin' like, "Damn, they gotta free my shooters"  
Fuck your team, gon' cruise sum  
Big black truck, gon' lose 'em  
MP5, got a new one  
I just copped some more shit  
Pulled up, they was like, "Damn, where Lil O going?"  
Walked in, hol' up, hol' up, already knowin'  
Slime just kicked the door in  
Damn, pull up wit' a chop  
Da-damn, let's go we got mops  
Damn, damn, yeah, this shit can't stop (Flex)
