

## Werkin

OsamaSon

Tell that bitch to leave me 'lone, I don't condone it (Go, no)  
I been speedin' on the highway and I'm floatin' (Skrrt, skrrt,  
skrrt, skrrt)

This ho say she like my voice, like when I'm flowin'

Yeah, like I'm goin' in

Yeah, I drop bags on shit, on shit like I'm going ham (Bags, be  
ep)

Drop them racks on kicks and my waist, yeah, I dropped a band

Ratchet ho, get out my face, this bougie ho said I'm her man

Trap jumpin' like all day, bitch, I'm chasing to them bands

Who is he? He not my man

No, I cannot shake your hand

Tats up on my neck, look like a bad guy, Dirty Dan

They like, "Why you poppin' 30s again?"

I was like, "Nah, but I'm off that Xan'"

Popped that X, can't feel my hands

I'm just tryna feel again

Yeah, bet they can't believe it's workin', put that work in

Boy, I never been nervous, keep on Perkin'

Bitch, my Sprite ain't did no fizz when I dropped a Perc' in

And these niggas talk like bitches, keep on chirpin'

Nigga better wash them dishes, my money twerkin'

I'm like, "Where the Perc' 10?" Why your main ho squirtin'?

Knock your man down, urgent, your crew full of virgins

In all black, in that back door, you could catch me lurkin' (Ye  
ah)

Tell that bitch to leave me 'lone, I don't condone it (Go, no)
