

The Man

Otep

I wish I were the man
Cause then I'd have a voice
And my body would be my my my my choice

I'd whistle at the girls
While I kick it with the boys
And the world would be my my my my toy

I wish I had a dick
Cause what I'd say would stick
I'd be assertive, not a bitch
All my work make me rich
Cause I'm paid more than some chick

Walking late out alone but never scared
I don't care, it don't matter what I wear
Promiscuous, it wouldn't take guts
I'd be a winner, not a slut
When I'm tryna get my nut

Boys will be boys
Girl just here for them to enjoy

I wish I were the man
Cause then I'd have a voice
And my body would be my my my my choice

I'd whistle at the girls
While I kick it with the boys
And the world would be my my my my toy

I wish I were the man
Cause then I'd have a voice
And my body would be my my my my choice

I'd whistle at the girls
While I kick it with the boys
And the world would be my my my my toy

You said I want it
Cause my body's out, and the way that I flaunt it
I told that man quit, but he pulled out his dick
Now my body's ripped cause a woman's no means shit

If I was a nigga, you'd get hit
Life wasn't fair, when I got picked
Tired of being the victim, pushed to submit
I just wanna scream and rip off these tits

Boys will be boys
Girl just here for them to enjoy

I wish I were the man
Cause then I'd have a voice
And my body would be my my my my choice

I'd whistle at the girls

While I kick it with the boys
And the world would be my my my my toy

I wish I were the man
Cause then I'd have a voice
And my body would be my my my my choice

I'd whistle at the girls
While I kick it with the boys
And the world would be my my my my toy

This is a call to war
This is a call for war
This is a call for war

So, you wanna see a bitch?
You incel piece of shit!
Call me a whore
As I'm breaking down your door
It's your last mistake
As I bury your body
In a shallow grave
And this I vow your worm-food now!

You fucked around and found out
Now there's really no doubt
You fucked around and found out!

I wish I were the man
Cause then I'd have a voice
And my body would be my my my my choice

I'd whistle at the girls
While I kick it with the boys
And the world would be my my my my toy
