

# Beautiful Monster

Otherwise

Something about the way that she makes me hate myself  
I could run away but I don't want no one else  
So say what you want  
It's already done  
It's Russian Roulette  
The love has begun  
You don't know her  
You don't know her like I do

Looking like an angel so divine  
You can see the devil in those eyes  
She's a monster by my side baby  
Taking me six feet down tonight  
Cause dancing with the devil gets me high  
She's a monster  
A beautiful monster  
(A beautiful monster)

Something about the way that she tears me up inside  
Is it wrong that I love it when I know she'll bleed me dry  
So say what you want  
It's already done  
It's Russian Roulette  
The love has begun  
You don't know her  
You don't know her like I do

Looking like an angel so divine  
You can see the devil in those eyes  
She's a monster by my side baby  
Taking me six feet down tonight  
Cause dancing with the devil gets me high  
She's a monster  
A beautiful monster

A beautiful monster  
I don't want to be saved  
A beautiful monster  
I don't want to be saved  
A beautiful monster  
I don't want to be saved  
A beautiful monster  
I don't want to be saved

Looking like an angel so divine  
You can see the devil in those eyes  
She's a monster by my side baby  
Taking me six feet down tonight  
Cause dancing with the devil gets me high  
She's a monster  
A beautiful monster  
A beautiful monster
