

# Silver & Black

Otherwise

We do it for the glory, glory  
We do it for the story, story, oh oh-oh-oh  
We are the nation  
Never surrender, never give in  
For the glory, glory  
We do it for the story, story, oh oh-oh-oh  
We are the nation  
We never give up 'cause we're here to win

Grew up in the city by the bay  
Now we're battle born, getting paid to play  
Skull and bones is the oath that we swore  
We gotta take it all and we still want more  
There is no try, there is no maybe  
Just win, baby  
Just win, baby

We do it for the glory, glory  
We do it for the story, story, oh oh-oh-oh  
We are the nation  
Never surrender, never give in  
For the glory, glory  
We do it for the story, story, oh oh-oh-oh

Gonna take your crown, now your gold is mine  
You can see the fire burning in our eyes  
Line 'em up, knock 'em down, gotchu dead to rights  
There is no try, there is no maybe  
Just win, baby  
Just win, baby
