

# Unbreakable

Otherwise

(I am not a criminal)

Do you want my head on a pike?  
Do you want a stake through my heart?  
Should I just hang up the mic?  
Should I just give up my art?

Now I'm the victim, I'm the crime  
I'm still the one who does the time  
I'm not whatcha see  
But I still let it get to me

You only paid attention  
At my crucifixion  
Now I know my role  
You wanna lock me up and throw away the key

But I am not a criminal  
But if you push me, I can be  
I'm not what you think you see

Unbreakable, unbreakable  
Unbreakable, -break-, unbreakable  
(Now you know I'm)  
Unbreakable, unbreakable  
(Now you know I'm)  
Unbreakable, -break-, unbreakable

Now I'm my own master, my own slave  
My own love for my own hate  
Fuck Jekyll, fuck Hyde, I keep 'em inside  
Till I need a song, so you'll sing along

You're gonna pay attention  
At my resurrection  
Now you know my role  
I'm a savage with self-control  
You wanna lock me up and throw away the key

But I am not a criminal  
But if you push me, I can be  
I'm not what you think you see

Unbreakable, unbreakable  
Unbreakable, -break-, unbreakable  
(Now you know I'm)  
Unbreakable, unbreakable  
(Now you know I'm)  
Unbreakable, -break-, unbreakable

You wanna paint me  
Show me in the wrong light, wrong light  
There's no coming back  
From whatchu can't make right, make right

Unbreakable, unbreakable  
Unbreakable, -break-, unbreakable

(Now you know I'm)  
Unbreakable, unbreakable  
(Now you know I'm)  
Unbreakable, -break-, unbreakable
