

Zero Fuxx

Otherwise

I'm a sinner
I'm a fighter
I'm an outlaw gun for hire
I'm an addict
I'm a liar
I'ma tie to you to the bed and set the house on fire
You've been acting like a little bitch
Yea, ain't nobody got time for this
I'm fed up, you're tired, your sell by date's expired

Cuz I got zero fucks, yea, I got zero fucks to give
Only got one chance to die, only got one life to live
Yea, I got zero fucks, yea, I got zero fucks to give
No, you're never gonna waste my time, that's just the way it is
Cuz I got zero fucks, zero fucks, zero fucks to give

I'm a winner, that's final
I'ma destroy all of my rivals
I'm the top of the pile
I'm the cream of the crop over here, meanwhile
You've been acting like a little bitch
And ya know I ain't got time for it
I'm a killer
I'm an idol
I'ma lose my shit, homicidal

Cuz I got zero fucks, yea, I got zero fucks to give
Only got one chance to die, only got one life to live
Yea, I got zero fucks, yea, I got zero fucks to give
No, you're never gonna waste my time, that's just the way it is
Cuz I got zero fucks, zero fucks, zero fucks to give

(That's just the way it is...)

Cuz I got zero fucks, yea, I got zero fucks to give
Only got one chance to die, only got one life to live
Yea, I got zero fucks, yea, I got zero fucks to give
No, you're never gonna waste my time, that's just the way it is
Cuz I got zero fucks, zero fucks, zero fucks to give
Zero fucks to give
Zero fucks to give
Zero fucks to give
Zero fucks to give
