

# Cupid

Otis Redding

Cupid draw back your bow  
And you let your arrow go  
Straight to my lover's heart for me  
Nobody but me

Cupid please hear my cry  
And let your arrow fly  
Straight to my lover's heart, its for me

Now I don't need to bother you, but I'm in distress  
There's dangerous of losing all of my happiness  
But just between the two of us our love is concealed  
So help me if you will

So, Cupid draw back your bow  
And let your arrow go  
Straight to my lover's heart, it's for me  
Nobody but me

Cupid please hear my cry  
And let your arrow fly  
Straight to my lover's heart, it's for me  
Nobody but me

Cupid if you make your arrow, make it for me  
I promise I will love you until eternity  
But just between the two of us our love is concealed  
So help me if you will

So, Cupid draw back your bow  
And let your arrow go  
Straight to my lover's heart, it's for me  
Nobody but me

Cupid please hear my cry  
And let your arrow fly  
Straight to my lover's heart for me  
Nobody but me

I said, "Cupid, don't you hear me?"  
I said, "Cupid, don't you hear me?"  
Draw back that bow and let it go  
Draw back that bow, let it go  
Let it keep on going  
Till it find my baby, yeah  
Got to have my baby  
Let it go, yeah
