

# Give Away None of My Love

Otis Redding

For just as long as I live  
Listen  
To you, my love, I'm gon' give ya  
Listen  
And you won't have to care for no heaven low  
No, you won't, nah  
But as long as, ah you don't freak out  
And lil' girl, you know what I'm talking 'bout  
I don't want you to give 'way none of my good lovin'  
Don't want you to just give 'way none of my good love, nah

Listen! Uh  
Boys gon' come and try to take you out  
But tell 'em  
That you don't need no standby  
Then tell 'em  
That ain't nobody gon' just get no love  
But me  
Uh, only me, now  
Dig this, uh  
But as long as you go downtown  
All the fellas, they gon' be standing around  
But, ah you cannot just give 'way none of my good lovin'  
I don't want you to give 'way none of my good lovin'

Uh, dig this  
Freeze me  
Ah, don't give me no tubber  
Just please me  
Let that be two to one another  
And ease me  
Don't you give me no pain, uh  
You got enough love  
To drive one man insane, yeah

C'mon  
When I'm spending some  
Listen  
Everyday I make love to my baby  
And I'm gonna love the speeding pain  
Till the day I die  
Uh, yes I am, now  
Listen  
Fall will be picking up leaves  
Fast as the wind be blowin' on a mocking tree  
But you better not just give 'way none of my good lovin'  
I don't want you to give 'way none of my g' lovin'

Oh, God!  
You better not give 'way nothin'  
Don't want you to give 'way nothin'  
You better not give 'way nothin'  
None of my good love, love, love  
No, don't give 'way nothin'  
You better not give 'way nothin'  
Please, don't give 'way nothin'  
None of my good, oh lovin' mama

Ooh, don't give 'way nothin'  
Don't want you to give 'way nothin'  
Please, don't give 'way nothin'  
All day long, I said  
Mama, just don't give 'way nothin'  
Ooh, y-  
Just save it  
Oh, just don't give 'way nothin'
