

Higher and Higher

Otis Redding

Your love keeps lifting me higher
Than I ever been lifted before
So give me love
Which is my desire, honey
I'm gonna be at your side
Forever more

Now, you know your love
Keeps lifting me higher
Than I ever been lifted before
So give me love, oh
Which is my desire
I'm gonna be at your side
Forever more

Now, once down and broken hearted
And dissapointment was my closest friend
And than you, you came and heated hearted
And you know he never showed his face again

Now, you know your love
Keeps lifting me higher
Than I ever been lifted before
So give me love, oh
Which is my desire
I'm gonna be at your side
Forever more, hey, hey, hey

Know your love
Lifting me higher
Than I ever been lifted before
So give me love
Which is my desire, ha
I'm gonna be at your side
Forever more

Now, you know your love
Keeps lifting me higher
Than I ever been lifted before
So give me love, oh
Which is my desire, oh, honey
I'm gonna be at your side
Forever more

Oh I got to tell you 'bout it
Keep me, lift me all up, lift me
lift me little higher, now
Keep me going all up
I wanna higher, higher, higher, higher
Get me up there
I gotta get on up there
Lift me, lift me, lift me, oh lift me
Up, up, up, up, up, up
Gotta get on up
Gotta, gotta, get on up there...
