Superman's Dead

Our Lady Peace

Do you worry that you're not liked How long till you break? You're happy 'cause you smile But how much can you fake? An ordinary boy, an ordinary name But ordinary's just not good enough today Now ah-ooo Now ah-ooo Alone, alone, alone, alone Alone, alone, alone, alone I'm thinking why, yea, Superman's dead? Ai yea, is it in my head? Ai yea, we'll just laugh instead I worry about the weather Whether you can or can not hate Now you worried about your faith Kneel down and obey You're happy you're in love You need someone to hate An ordinary girl, an ordinary waist But ordinary's just not good enough today Alone, alone, alone, alone Alone, alone, alone, alone I'm thinking why, yea, Superman's dead? Ai yea, is it in my head? Ai yea, we'll just laugh instead I worry about the weather Whether you can or can not hate Now ah-ooo Now ah-ooo Now ah-ooo Why, ai yea, hey hey? Why? Why, ai yea, hey hey? Why? Doesn't anybody ever know? Doesn't anybody ever know? Doesn't anybody ever know? That the world's a subway, subway Doesn't anybody ever know? Doesn't anybody ever know? Doesn't anybody ever know? That the world's a subway, subway That the world's a subway, subway Doesn't any, any, any, any, any Doesn't any, any, any, any, any

Doesn't any, any, any, any, any

That the world's a subway, subway
That the world's a subway, subway
