

# Alone

## Our Last Night

I know sometimes my heart feels cold  
I buried my love beneath the snow  
And it's hard for me to be far above  
But I'll do anything you need

I don't want you to be alone  
I just wanna be your home  
I don't want you to be alone anymore

I don't want you to be alone  
I just wanna be your home  
I don't want you to be alone anymore  
(Alone anymore)

I don't want you to be alone  
I just wanna be your home (I just wanna be your home)  
I don't want you to be alone anymore  
Alone anymore

You said you can't do this on your own  
I felt your pain but didn't let it show  
I built a city to protect your trust  
Losin' the distance between us  
This time, I'll be there for you

Oh, I don't want you to be alone  
I just wanna be your home  
I don't want you to be alone anymore

Oh, I don't want you to be alone  
I just wanna be your home  
I don't want you to be alone anymore  
(Alone anymore)

Oh, I don't want you to be alone  
I just wanna be your home (I just wanna be your home)  
I don't want you to be alone anymore  
Alone anymore
