

## Daylight

### Our Last Night

Telling myself I won't go there  
Oh, but I know that I won't care  
Tryna wash away all the blood I've spilt  
This lust is a burden that we both share  
Two sinners can't atone from a lone prayer  
Souls tied, intertwined by pride and guilt

There's darkness in the distance  
From the way that I've been living  
But I know I can't resist it

Oh, I love it and I hate it at the same time  
You and I drink the poison from the same vine  
Oh, I love it and I hate it at the same time  
Hiding all of our sins from the daylight  
From the daylight, running from the daylight  
From the daylight, running from the daylight  
Oh, I love it and I hate it at the same time

Telling myself it's the last time  
Can you spare any mercy that you might find  
If I'm down on my knees again?  
Deep down, way down, Lord, I try  
Try to follow your light, but it's nighttime  
Please don't leave me in the end

There's darkness in the distance  
I'm begging for forgiveness  
But I know I might resist it, oh

Oh, I love it and I hate it at the same time  
You and I drink the poison from the same vine  
Oh, I love it and I hate it at the same time  
Hiding all of our sins from the daylight  
From the daylight, running from the daylight  
From the daylight, running from the daylight  
Oh, I love it and I hate it at the same time  
Oh, I love it and I hate it at the same time  
You and I drink the poison from the same vine  
Oh, I love it and I hate it at the same time  
Hiding all of our sins from the daylight  
From the daylight, running from the daylight  
From the daylight, running from the daylight  
Oh, I love it and I hate it at the same time
