## Our Last Night

False Evidence Appearing Real  
Lies take over how we feel  
Fear is never as it appears

F.E.A.R., F.E.A.R.  
F.E.A.R., F.E.A.R.

Scared of the forest in the night  
Only difference is the absence of the light  
Scared of the seasons when they change  
But change is the only way that leads to better days

I pretend I'm okay but deep down I'm afraid  
Stabbed in the back by a knife with no blade  
Like I'm not safe and there's no way  
That I'll make it through the day  
What I'm afraid of the most  
Just an invisible ghost  
I see the worst, think that I'm cursed  
Should take a different approach

False Evidence Appearing Real  
Lies take over how we feel  
Fear is never as it appears

F.E.A.R., F.E.A.R.  
False Evidence Appearing Real  
F.E.A.R., F.E.A.R.  
False Evidence Appearing Real

Scared of the mundane  
But turn around, pull the pin on the grenade  
I'll drop it on the ground and then wait  
You'd think I'm a fearless renegade  
It's really that I'm irrational  
Fear and joy, incompatible  
My peace takes a sabbatical  
Every time I'm sporadical, yeah

False Evidence Appearing Real  
Lies take over how we feel  
Fear is never as it appears

F.E.A.R., F.E.A.R.  
False Evidence Appearing Real  
F.E.A.R., F.E.A.R.  
False Evidence Appearing Real

Fear starts to manifest  
It grabs you by the neck  
Then says, "What do you think of death?  
Are you more than just flesh and bones?  
Will the ground forever be your home?  
Forever be unknown, forever be unknown"

False Evidence Appearing Real  
Lies take over how we feel

Fear is never as it appears, oh

Are you more than just flesh and bones?

Will the ground forever be your home?

Forever be unknown, forever be unknown
