Boxer

I'm not scared Maybe that's a lie But we've lost too many people We've got to leave this fight We had fire in our eyes That turned from blue to green And demons in our hearts We saw diamonds in the light That turned our love to greed, and so Dance to the beat Give it all up And dance to the beat Give it all up Maybe, maybe, we'll feel alive Maybe, maybe, we'll be alive I will stand The dream of Peace alive But this road has many detours We've got to be the light We had fire in our eyes That turned from blue to green And demons in our hearts We saw diamonds, there were diamonds So we... Dance to the beat, give it all up And dance to the beat, and give it all up and Maybe, maybe we'll be alive Maybe, maybe we'll be alive Oh, to feel the beat of our hearts Dancing [?] Dance to the beat, give it all up and Dance to the beat, and give it all up and Maybe, maybe we'll feel alive Maybe, maybe we'll be alive Dance to the beat and give it all up and Dance to the beat and give it all up, and Maybe, maybe we'll feel alive Maybe, maybe we'll be alive Life will lead us and love will be our guide Maybe, maybe
