

Emergency

Ours

I wasn't right
Doesn't mean that I didn't feel what I was saying
Shouldn't waste my time, complicate my mind
With the game that they are playing
There is always something here that keeps me away, keeps me awa
y
There is always something here that keeps me away, keeps me awa
y
Coming in to pry, fornicate and lie
All the while they're out there praying
And everybody's life shouldn't keep me fortified [?]
We're the ones who will be paying
There is always something here that keeps me away, keeps me awa
y
There is always something here that keeps me away, keeps me awa
y
I can't get to you , I keep trying but I'm only human
I can't get to you , I keep trying cuz this is an emergency, em
ergency
There is always something here that keeps me away, keeps me awa
y
There is always something here that keeps me away, keeps me awa

I can't get to you , I keep trying but I'm only human
