Here she comes, you better watch your step She's going to break your heart in two, it's true It's not hard to realize Just look into her false colored eyes She builds you up to just put you down, down

Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks

Little boy, she's from the street
Before you start, you're already beat
She's gonna play you for a fool, yes it's true

Cause everybody knows
(She's a femme fatale)
The things she does to please
(She's a femme fatale)
She's just a little tease
(She's a femme fatale)
See the way she walks
Hear the way she talks
