How can it be We're lost And it seems That miles come between Us now Somewhere down that line I know we're bound to find Gold Gold that brings your heart to mine Gold that makes you come alive Gold that brings you to the other side Gold that makes you feel you want to try Again Sounds In the breeze Love Fills between And I Learn to see you now Somewhere down that line I know we're bound to find Gold Gold that brings our hearts in line Gold that makes us come alive Gold that brings us to the other side Gold that makes us feel we want to try Again Again It'll be alright Yeah It'll be alright It will be alright It'll be alright Yeah It'll be alright It will be alright It'll be alright Yeah It'll be alright It will be alright It'll be alright Yeah It'll be alright It will be alright La la la La la la la la la la

It'll be alright

Yeah

It'll be alright
It will be alright

La la la la la la It'll be alright
Yeah
It'll be alright
It will be alright

Oh
Oh
It'll be alright
Yeah
It'll be alright
It will be alright

Oh
It'll be alright
Yeah
It'll be alright
It will be alright
