

Lose Control

Ours

You walked out
You were like a dream
A vision that
Anyone could see
Here and now for the world to reach and
There's no doubt
You are gonna be
The death
Of us all and
Pleasing to the eye
But then the pain comes

And I can feel in my heart
I can feel in my soul
I feel
I lose control

Screaming now
Falling at your feet I'm
Going down
I'm in ecstasy when
I hear the sound
The one that's meant for me and
There's no doubt this is gonna be
The death of our lonely
Screaming bleeding hearts
But then the pain it comes

And I can feel you in my heart
I can feel you in my soul
I feel
I lose control

Razor in my heart
I get in too deep
To a place where no one can reach
Chains around my arms
I begin to bleed
Til the words pour

Like a bleed in my heart
Like a bleed in my soul
A bleed in my heart
Like a bleed in my soul
A bleed
I lose control
